

Regional Targeted Occupations List—2016-17

LWA 6 (serving Hamilton, Jefferson, Lafayette, Madison, Suwannee and Taylor Counties) per policy compiles its Regional Targeted Occupations List annually. This list guides the Workforce Innovation and Opportunity Act (WIOA) funding decisions for career seekers requesting financial support for occupational training. Training providers and programs currently under agreement with CareerSource North Florida (LWA 6) may be found on our website.

All occupations listed as HSHW on the Demand Occupations List (Select WDA6 tab in the Excel workbook download) found at <http://www.floridajobs.org/labor-market-information/publications-and-reports/labor-market-information-reports/regional-demand-occupations-list> are included on the LWA Regional Targeted Occupations List (RTOL).

In addition, through employer communications and analysis of labor market information, the following occupations comprise the remainder of the Regional Targeted Occupations List:
